Featured Research

[Survey data on gambling participation](#)

UK Gambling Commission. (2010).

This paper provides information on participation in gambling. It sets out the findings from questions asked through telephone omnibus surveys conducted by ICM Research. The results presented in this paper are from two separate, but complementary, sets of questions, one measuring participation in all types of

gambling and one which monitors participation solely in remote gambling. Questions monitoring participation in all types of gambling activity have been asked in their current form since June 2008.

[National Association of Gambling Studies Australia: Call for Papers](#)

The theme for this year's National Association of Gambling Studies 20th Annual conference is "Searching for the silver bullet – innovations in gambling studies 2010 and beyond" and papers/presentations that address this theme will be favourably considered for inclusion in the Conference program. Papers are invited and are usually of 30 minutes duration (20-25 minutes for presentation and 5 minutes for questions), but a limited number of longer workshop presentations are also invited. Prospective presenters need only submit an abstract (250 words or less) for consideration and the Program Subcommittee will select those papers that will be accepted for inclusion in the Conference program. Submission of an abstract for consideration is not a guarantee of acceptance.

Deadline for submissions is July 31st, 2010.
